

# St Mary's Nursery News

**MAY 2015**

Dear Parents and Carers

Welcome back everyone for the start of a busy Summer Term at St Mary's Nursery. A warm welcome to our Nursery new starts.

As you will see from the busy diary dates this is the term where our pre-schoolers start their transition to school. You will receive information about this and other events over the coming weeks.

The children continue to share and extend their ideas for learning during the summer term and our planned experiences will be around People who help us, The Senses, Model Making, Moving on, Sports, Seaside and Summer.

## Outdoor Protection for your child

Spring weather brings stronger UV rays, rain showers and cool days too. Please ensure your child has weather and play appropriate clothing and footwear. Ensure your child is wearing plenty of sun cream on sunny days before they come to Nursery. As we are either all outside or all inside at St Mary's Nursery, please ensure your child is ready for outdoor play and learning. Thank you for your understanding.

## Nursery Summer Outing

Our Nursery Summer Outing will be to East Links Family Park at Dunbar on Monday 22nd June. This is a wonderful opportunity for both morning and afternoon nursery children and their parents/carers to meet up.

As this is a full day event parents/carers will be required to accompany their own child. Bus transport will be provided by the school. Further details will follow shortly but we hope that giving you notice will enable as many of you to join us as possible.
