

## Midlothian Instrumental Music Service

### Selection Procedure for Instrumental Music Lessons

Dear Parent / Carer,

The instrumental music instructors who visit your child(ren)'s school will be conducting testing of pupils interested in learning an instrument, between 23/08/16 – 15/09/16.

The format for this selection procedure is very informal, there is no “pass” or “fail”, as the test is intended purely to match pupils to appropriate instruments.

If you wish your child(ren) to be tested then please complete and return the tear off section of this letter (below). If no tear-off slip is received by the school by Monday 29<sup>th</sup> August, then we shall assume that you **DO NOT** wish your child(ren) to be tested.

**It is important to note that it is not possible to offer all instruments in every school.**

Please note, that as of 22<sup>nd</sup> August, 2016, ALL instrumental music lessons in Midlothian Schools are **free of charge**.

Yours faithfully,

Jake Herriot  
Education Support Officer – Expressive Arts  
0131 271 3710
