Dear Parents and Carers

Throughout the school year there are many out of school activities that the pupils are invited to take part in, particularly in the upper school as High School Transition Events now start in Primary 6.

Without the support of our Parent Helpers the children would not be able to participate in many of these Events, however, it is becoming increasingly more difficult to enlist parent helpers on such a regular basis.

We would like to compile a list of parents and Carers who would be prepared, on occasion, to accompany **any** class to one of the many varied out of school activities.

If you would like to help out please complete the tear off slip below and return it to the school office as soon as possible.

Thank you for your continued support.
