

St Mary's Nursery

introduces

St Mary's Seedlings

The roots of learning and growing together

Do you have a 2 year old?

Would you be interested in attending weekly play sessions in our nursery?

We are excited to offer play experiences for you and your child when they turn 2 prior to their nursery enrolment.

- Stories
- Songs and rhymes
- Sensory play
- Creative activities

We aim to provide an environment which will give you the opportunity to connect and enjoy special time together in a relaxed, warm and friendly atmosphere. You and your child can socialise with others, making new friends, sharing experiences and supporting each other whilst enjoying a light snack, for the wee ones and a cuppa for you.

If interested please contact the school office or a member of the Nursery Team.
