Dear Parents & Carers

P7 PUPILS' TRANSITION TO HIGH SCHOOL

You will very soon receive a letter from the Education Authority offering your child a place in S1 at St David's High School. If you wish your child to attend a different High School within Midlothian you will need to complete the **Placing Request form** which will be included with the letter

A final decision regarding placing requests is not made until later in the Session, however we are already working with the High Schools on Transition arrangements and I would be grateful if you could please indicate on the tear-off slip below which high school you would like your child to attend when he/she leaves St Mary's in June 2018.

Please complete and return the attached slip, as soon as possible, to allow us to continue to support your child effectively as they make the transition to High School.

Thank you for your continued support.
