

School Uniform

Please look at the school website for information about our new school uniform provider. You can now click on the uniform link and directly access the school uniform site, make your orders online and have the uniforms delivered directly to your home. This system will also soon be available for nursery uniforms

Reminder

Please ensure your child's name is printed in pen on the labels of their jumpers and polo shirts. During the summer term as the weather improves, children often take off their jumpers in class and if their names are not marked it can lead to time-consuming confusion- all the jumpers look the same!

ParentPay

Our online cashless ParentPay system has been up and running for 2 months now, many thanks to those of you who have already signed on to your ParentPay accounts and who are paying using this method. As with any new system, there is a transition period while everyone adjusts, so currently the school office is still also processing cash payments for school lunches. However, if you wish to continue paying by cash, please note that lunch money should now be paid WEEKLY on a Monday.

Ultimately, it is our goal to become a cashless school so you are encouraged to please sign on to your account and pay using the ParentPay method. If you are having any problems signing on, or are unable to pay using this method, please contact the school office to discuss alternatives.
