Dear Parents and Carers,

The children have been really creative using autumn leaves, twigs, conkers and acorns. We would appreciate if you and your families were out walking if you could collect some natural resources for your children to use for arts and crafts.

Library Visits

We are planning to start library visits to the Lasswade Centre on Wednesday mornings and afternoons. If any parents are able to support us with this, please contact a member of staff.

Visible Learning

Can we remind parents and carers to encourage their child to place their named pebble in the basket. Self registration encourages the sharing of learning between home and nursery more accessible. We would like to invite and encourage parents and carers to look at your own child's profile and to add any comments or share any feedback.

Halloween

Friday the 1st November we will have our Halloween party in nursery. Children are invited to dress up if they wish.

Big Bedtime Read

Thank you for your support with our big bedtime read this term.

Thank you for your support with our consultations, play dates and family night.
