

St Mary's Nursery News

January 2020

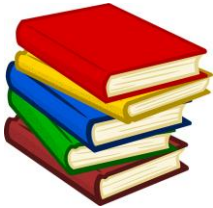

Dear Parents and Carers,

We would like to thank you for all the generous gifts and cards we received at Christmas time. They are very much appreciated as was your support of our Christmas gatherings.

All the children have settled well and we will be welcoming new families to our nursery this month.

LIBRARY VISITS

We are continuing with our library visits weekly on Wednesday mornings and afternoons. If any parents are able to support us with this can you please speak to a member of staff.

HEALTHY EATING

Can we remind parents that St Mary's is a healthy eating school. Could parents please refrain from putting sweets, chocolate and chewing gum in their childrens' pockets and bags. This could potentially be a hazard to other children who have specific food allergies.

BURNS' DAY

This week we are learning about the Scottish Language and looking at tartan patterns. On Friday the children will be tasting haggis, neeps and tatties. Parents and families are welcome to join us from 11:30am. There will be the opportunity for children to show and share their learning.

MATHS WALKS

We will be exploring the local neighbourhood to help us find sticks for measuring, and counting as an extension to our learning with The Stick Man story.

DIARY DATES

We will be hosting parental consultations in the week beginning 3rd February for our pre school children. Look out for a signing up sheet to book a slot to meet with your child's key worker.
