## LIBRARY VISITS

The children are enjoying their regular visits to the library every Wednesday. The Librarian now joins us to read a story to the children.

## HEALTHY EATING

At nursery we are promoting healthy eating. The children are encouraged to eat a variety of fruit and vegetables daily. At lunch time all the children are offered a healthy salad with their lunch. If children are bringing their own packed lunch could parents please support the nursery with providing a healthy option.

## RECYCLING

The children have been showing an interest in recycling. This term we will be learning about recycling. We will be doing lots of activities to develop and support their knowledge. Can you help us at home by encouraging your child to recycle.

## LOCAL WALKS

We are hoping to continue with our local walks to explore the local environment and to spot the first signs of spring. If you would like to be a parent helper please speak to a member of staff.

## WET WEATHER

On very wet days can you please provide your child with wellies so that they can jump and splash in the puddles.

## CHANGE OF CLOTHES

Can parents please provide their child with a change of clothes. Accidents happen and sometimes children get upset if they do not have their own clothes to change.

## NURSERY FEES

A wee reminder that the fees are £2 per week. This money goes towards a healthy snack and the end of the Summer Term trip. If you wish to pay termly please speak to a member of staff.
