November 2020

Dear Parent/Carer

P7 Information Event

This year, our P7 Information Event will be taking place on Wednesday 11th November on the school website. The website story will be posted in the early evening. Each section of the website story has been recorded so that you can access and revisit them whenever you wish. The three sections to the P7 Information Event are as follows:

1. Virtual Tour
2. Transition Information
3. Survey

Virtual Tour

During April and May 2020, we created a virtual tour of Lasswade, which was very well-received. We will be sharing an updated version of our virtual tour with families on the school website, which will formally start P7/S1 Transition. This virtual event is in place of our usual in-school information sharing evening.

Transition Information

Mrs Brown (DHT) and Mrs McLaren (Head of Melville House) will share a short informative video to let families know what you can expect from the P7 Information Event.

You will also hear from four of our current S1 students who will tell you all about their experiences at Lasswade so far.

Survey

In order to help P7/S1 Transition run as smoothly as possible, we would like to gather information from parents and carers earlier. We would appreciate it if you could complete a short survey that will help us to plan for P7/S1 Transition. Please complete all questions in the short survey by the end of November. The survey link will be posted on the school website along with our tour and video on Wednesday 11th November.

If you have more than one child coming to Lasswade next year, please complete a survey for each individual student. All information you provide will be kept strictly confidential.

Communication

In the meantime, please have a look at our school website and social media platforms to keep up to date with Lasswade activities and developments.
